

# ARTIST: ROY KELF

Roy lives and works in Worthing, West Sussex. He studied for a Bachelor of Arts degree at the University of Brighton 1993-1996 where he achieved First Class Honours and studied post graduate at Duncan of Jordonstone, University of Dundee 1997-1998 for a Master of Fine Art degree. Roy likes to work with ordinary things and enjoys the challenge of transformation from one thing to another. He works with waste papers, recycled plastics, masking tape and other materials to create beautiful and engaging objects. Animals, birds, flora and fauna are his favourite topics. He uses lights to illuminate his plastic sculptures to add atmosphere and warmth.

Roy work closely with Community groups in Worthing. Creating Parade Structures for Carnival with Super Star Arts and recycled lanterns for Tide of Light lantern parade. [www.facebook.com/kelfkcreations](https://www.facebook.com/kelfkcreations)
